- rectangular metal "black box" that clamps down on chain between handcuffs
- waist chain connected to handcuffs
- ankle shackles chained together and sometimes connected by a chain to another incarcerated woman

CLAIMING OUR VOICES

Claiming Our Voices Faith Agenda

We are leading together to create a Minnesota that is *inclusive* and *just* for every person.
To build an *inclusive* and *just* Minnesota, all elected officials should govern with the following in the forefront:

A DEMOCRACY THAT HONORS EVERY PERSON'S DIGNITY

- ✓ A recognition and respect the full humanity of **people of color, indigenous people** through full democracy and restorative investment
- ✓ A justice system that shifts from punishment to **restoration and redemption**
- ✓ A commitment to protect the rights of people of all religions and to **end islamophobia and antisemitism**
- ✓ Full **gender justice**
- ✓ A recognition that we are an **interconnected community** that **welcomes immigrants**
- ✓ A **public education** system that is fully funded and achieves education equity

A CARING ECONOMY THAT ALLOWS EVERYONE TO THRIVE

- ✓ A state that supports **all types of families & their ability to care for each other**
- ✓ **Affordable, safe, and dignified** places to live, work, retire and play
- ✓ A guaranteed **healthcare** system that creates health and provides ongoing support for all
- ✓ A system of finance, both public and private, that prioritizes needs where **everyone can access wealth**
- ✓ An ethic of **caring for creation through environmental stewardship** and a just response to climate change
